Black people is a term used in certain countries, often in socially based systems of racial classification or of ethnicity, to describe persons who are perceived to be dark-skinned compared to other populations. As such, the meaning of the expression varies widely both between and within societies, and depends significantly on context. For many other individuals, communities and countries ...

People who think persistent contrails indicate some kind of conspiracy (which they call "chemtrails"), sometime point to the "dark lines" that sometimes accompany contrails. Since they can't immediately think of why these dark lines should be there, they assume it's part of the conspiracy. Either there is some kind of "dark chemtrail", or the plane is projecting a dark beam of ...
