A nest box, also spelled nestbox, is a man-made enclosure provided for animals to nest in. Nest boxes are most frequently utilized for birds, in which case they are also called birdhouses or a birdbox/bird box, but some mammalian species may also use them. Placing nestboxes or roosting boxes may also be used to help maintain populations of particular species in an area.

Nest box - Wikipedia

This is a list of notable biologists with a biography in Wikipedia. It includes zoologists, botanists, ornithologists, malacologists, naturalists and other specialities
