

more than a governess pdf

A governess is a woman employed to teach and train children in a private household. In contrast to a nanny (formerly called a nurse), she concentrates on teaching children instead of meeting their physical needs. Her charges are of school age rather than babies. The position of governess used to be common in well-off European families before the First World War, especially in the countryside ...

Governess - Wikipedia

The Doctor visits the Latimer family's pond. He realises that the Great Intelligence, the entity controlling a man called Dr Simeon since he was a boy and the snowmen, is using the old governess' body as a DNA blueprint to form an ice creature that will retain its form and not melt. While Clara puts Francesca to bed, the frozen body of the governess breaks into the house.
