SN 1054 is a supernova that was first observed on 4 July 1054, and remained visible for around two years. The event was recorded in contemporary Chinese astronomy, and references to it are also found in a later (13th-century) Japanese document, and in a document from the Arab world. Furthermore, there are a number of proposed, but doubtful, references from European sources recorded in the 15th ...

Do you know the best way to print out a book (not booklet) on an auto duplex printer if I intend to have 5.5—8.5 pages? I can get it to work with the program Clickbook, however when I try to do it with a pdf program, the duplex feature will reverse the pages on the back side, as the program thinks you will be turning the pages from one of the edges, NOT from folding down the middle like a ...

The phrase "Said the actress to the bishop" is a colloquial and vulgar British exclamation, offering humour by serving as a punch line that exposes an unintended double entendre. An equivalent phrase in North America is "that's what she said". Each phrase is an example of a Wellerism, exposing a second meaning of what precedes it. The versatility of such phrases, and their popularity, lead some ...

Hi, Thanks so much for this. It's great! Just one thing, the print order is not the same as shown in your pictures- instead of the ring on the left and the honeymoon car on the right, the PDF has the pages in order as they would be in the book, so the page with the ring on the left has the cake on the right, which does not work for printing.
