Work From Home (WFH) Solution. Bringing Office Connectivity Home. Tata Communications' Work From Home (WFH) Solution, enabled by our cutting-edge WiMax technology, extends the secured Office VPN to your employee's home, providing your employees a secure way to access all the enterprise applications they need to work from home.

## **Work From Home - Tata Communications**

Usually, work from home arrangements don't affect employee's employment terms. If working from home has any effect on compensation and benefits, then HR is responsible to create a new contract. Disclaimer: This policy template is meant to provide general guidelines and should be used as a reference.

## **Work From Home Policy Template - Workable**

Many work-from-home jobs are available in the customer service realm. Large corporations often contract smaller companies to provide phone and online customer service, and these smaller companies specifically hire home workers. Typically you'll spend the day on the phone in front of your computer and will answer calls or respond to questions online.
